I know I\'m uploading Camping Trip at the moment but this story just came to me and I had to upload it xD

Dave was sprawled out on the settee, thinking about feelings. At that particular moment, he was experiencing the best and the worst of feelings.

Junior had been up all night working on a bass line and as a result, he had fallen asleep on Dave. He lay there totally relaxed; his head resting on Dave's shoulder, warm breath tickling Dave's neck and one arm draped across Dave's chest. Every now and then, Junior would make a funny noise or move closer.

That was the best feeling in the world.

The worst one was...Dave really needed to go to the bathroom.
